General

- The 2019 edition of the water fight was quite the splash! We especially enjoyed the teachers' secret weapon: Mr. Bisschop and his fire truck! Thanks for sending in your buckets. A few remain outside by the parent parking lot waiting to be picked up. Good news: we won't be asking for your buckets again, as we decided to buy some kiddie wading pools for future water fights.
- Please take a moment to check the lost and found for your family's possessions. Whatever is left at the end of the week will be donated to charity.
- Thank you for the treats, encouraging cards, and well wishes. The staff truly appreciates the support of the community. Sometimes this support is expressed in sweet treats left on the staff room table, Thank you!

Kindergarten -Ms. Scholtens & Mrs. Onderwater

- No K this Wednesday or Friday. We look forward to seeing both groups on Thursday for a short visit to Leslie's "farm" and the Kindergarten grad in Langley church at 2:00.
- Thank you to all for your help and support! We are truly grateful for a great year! Have a wonderful summer.

Grade One –Mrs. MacDougal & Mrs. Dykstra

- Wishing you all a fantastic summer break! (HD, MM)
- Grade one students are involved in Friday's closing assembly. Hope to see you there.
- Because most agendas are in pretty bad shape, there's no need to bring agendas any more this week unless your child is still trying to reach a reading goal.
- If you haven't already done so: if you are joining us at William's Park tomorrow, please let me know approximately how many ice-cream eating children and adults you will have. Don't count your grade one child. I will be buying an ice-cream treat of sorts and want to make sure there is enough for everyone who wants one.

Grade Two – Mrs. deBoer & Mrs. Minderhoud

- This week will be about finishing up some final projects and wrapping up other subjects. In Bible and science students will finish and then present their project.
- For art each student will need a stick that is about 60cm long to complete their pinwheel on Wednesday.
- Thursday we're hoping to go to Langley City Park for a year-end celebration, but only if we get enough drivers to get there and back. If you're able to help out, in anyway, please let me know.
- Finally, it's been a pleasure to teach your child these past 5 months. Enjoy the break!

Grade Three –Mr. Chase & Mrs. Minderhoud

- Today we're enjoying the sun and water at Crescent Beach! Thanks for many driving volunteers!
- There is no spelling, memory work, reading homework, or math review homework this week.
- Bible: Books of the Bible
- Math: Probability
- Reading: The Reader's Theatre groups have worked very hard on their scripts for the past three weeks and it can be disappointing to have a character missing on presentation day, so please make every effort to have your child at school on the following days: Red Group presents to grade four on Tuesday and Yellow Group presents to grade two on Wednesday. Thanks! – Mrs. Minderhoud
- P.E.: Baseball

- Your child's portfolio should be heading home on Wednesday. Look for a spelling inventory in the June slot. It will provide a (more than) thorough overview of your child's progress in spelling from September to June.
- If you have joined us for an event (field trip, Sports Day, etc...) this year and took some pictures, please e-mail them to me by Wednesday for an end-of-year slideshow I'm putting together for the class.
- Thanks for your support, prayers, and encouragement this year. I have very much enjoyed working with each of your children.

Grade Four –Ms. Krikke

- Thank you to the parents who made Woodshop Day a success! What a neat experience!
- We are looking forward to our year end trip on Wednesday to Extreme Air Park! Make sure to dress in clothes similar to a PE strip.
- Bible: We will finish our Kingdom of Judah with a Kahoot Quiz!
- Math: We will work on some telling time activities with partners this week.
- Reading: We have now finished our novel study. Booklets due on Tuesday.
- Writing: We wrote persuasive book recommendations for our novel study. Due Tuesday.
- Socials: We will wrap up our Socials Gold Rush unit with a few different games this week to test our knowledge.
- Library: Remember to bring your library books back!

Grade Five –Mrs. VanSpronsen & Mr. Scholtens

- The last week of school has arrived! With all this beautiful weather, everyone is ready for summer! It has been a fabulous year and a real joy getting to know all of your children. This class will be remembered as being the most talkative bunch, but also the most engaging group I have taught. Thank you for all of your support and prayers. It is a blessing to be here at Credo.
- This last week will be filled with wrapping up all the subjects, completing our portfolios, practicing for the closing assembly and packing up our classroom. Oh yes . . . and also a field trip to Lynn Canyon. I will be sending out an email tonight about drivers . . . the forms are still trickling in.
- Tomorrow we hope to go to Harrison Pointe one more time.
- And that brings us to the end of another school year. God has been good! Have a great summer!

Grade Six – Ms. Harink

- I'm astounded to be writing my final CCES' leaflet submission. I'd like to thank you all for a great year / great couple of years! I've absolutely loved living/working/churching in this vibrant and supportive community. Wishing you God's blessings for a safe and relaxing summer.
- I'm going to organize by day this week:
- Tuesday : Gammage Cup Project Due, Genius Hr Presentations (whoever has not yet presented)
Devotions = Janelle
- Wednesday: French Plays. All remaining Current Events. Please bring a strong bag to carry home a year's worth of stuff :) Devotions = Brooklyn
- Thursday : Field trip to Mill Lake and Get Air. 9:10-2:50. Please wear appropriate clothing for jumping.
Devotions = Dylan
- Friday: Come hungry :)

Grade Seven –Ms. Nobel

- Off to Victoria!
